Dear Mr. Nelson:

Your inquiry about DATA-PHONE Service in response to our advertisement in both Computer Design and Data Processing Magazines has been forwarded to me. I attempted to reach you by telephone to determine if you have anything specific in mind, but was unable to do so. I am enclosing a generalized brochure on DATA-PHONE Service for your information.

If you have further questions or desire more detailed or specific information about a particular DATA-PHONE Data Set, please feel free to call me collect on 518-471-6915.

Very truly yours,
